DIRECTIONS

Measurements are based on prewashed fabric, accurate cutting, 1/4" seam allowance and 42" wide fabric.

1. Cut yellow fabric into 11 strips 1 1/2" x 42"

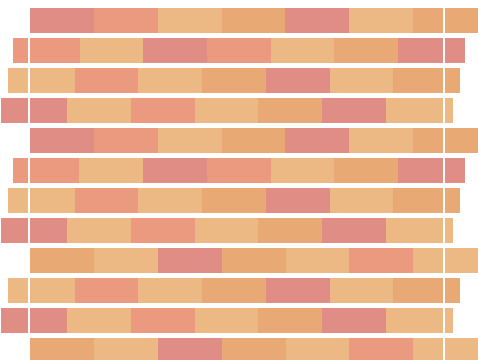

2. Cut 14 rectangles 3" x 7" of each of the six red, orange and brown fabrics. This uses the full width

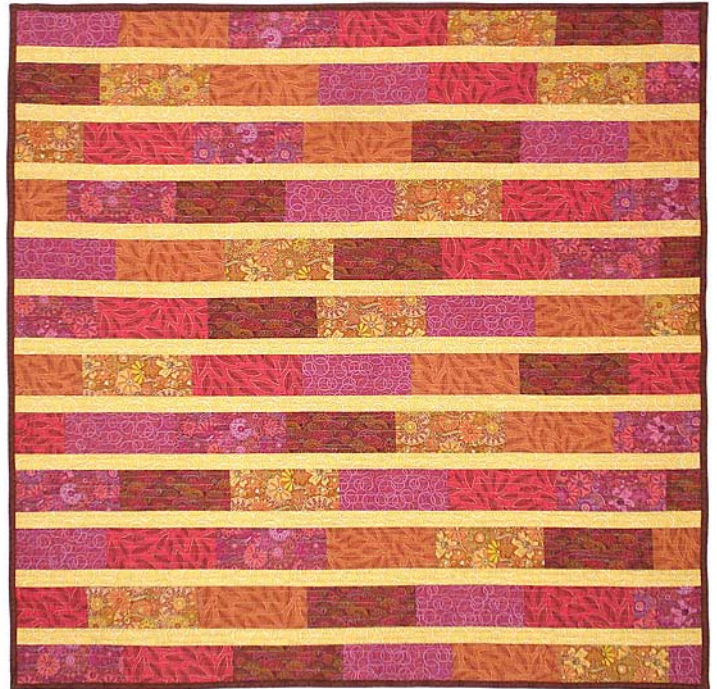

3. Sew together 7 of these rectangles in random order. Repeat to make 12 pieced strips.

4. Trim pieced strips into 43" lengths by cutting off between 0"- 3" from the left and then as much as needed from the right to yield a 43" strip.

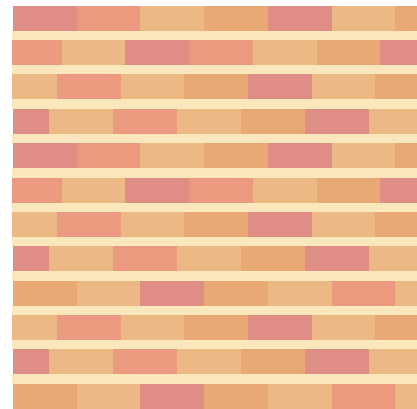

5. Sew eleven 43" strips to the yellow strips.

6. Trim the pieced strip flush with the yellow.

7. Piece together the rows.

8. Quilt and bind.
